**GMC Terrain 2016-17 vintage darker colored AB Lic BNJ ????**

The Edmonton Police Service is currently investigating a series of thefts from vehicles in southwest Edmonton that commenced on **17AUG31** between **0015-0055Hrs**. Entry to the vehicles is made by **shattering the side front windows** using what has been described by a witness as **small stick like instrument to pry at the window**. The vehicles seem to be chosen when **property such as laptops or backpacks are visible within the vehicle**. The suspect is described as a **Caucasian male, 35-40yrs, 6'3" tall, 200lbs, short tight haircut on the sides with a bit longer on top, noticeable tattoo's on**

**both sides of his neck arms/forearms** operating a **darker colored 2016-17 vintage GMC Terrain with the first three characters believed to be BNJ**. I have included stills taken from home security systems in the area depicting the suspect and the vehicle he is operating. Please be aware of this current issue and remove all property from your vehicles.
